

We acknowledge the tradition of  
custodianship and law of the Country on which  
the University of Sydney campuses stand.  
We pay our respects to those who have cared  
and continue to care for Country.

THE UNIVERSITY OF  
**SYDNEY**

# **INFO1112**

## **Week 10 Whole Class Session**

**Dr Nazanin Borhan**

# **Video Segments this week**

- › **10.1 Cloud Computing**

**What is it? How does it work?**

## **Lab session this week:**

Implementing a simple email sending client using SMTP

# Assignment 3

- Assignment 3 specification is out, and some test cases will be released today.
- This is a network-based assignment, mainly based on SMTP protocol, which will be covered in this week's lab class. DO NOT MISS YOUR LAB SESSION THIS WEEK.
- There is a scheduled strike on Thursday and Friday this week and the lab classes are replaced with online lab sessions.

# Guest Lecture by Nelly Sattari

**What fascinates us, engages us and what engages us, helps us to learn.**

**Nelly Sattari** loves problem-solving and is passionate about driving minds to engage with technology. She is a computer engineer, Microsoft Azure MVP and IT Engineering Manager based in Sydney and has spent her entire career involved in the IT industry.

Her focus is modern Cloud based web applications, and she is indebted to her full stack development background and the knowledge she gained there.
